Brussels, 9 November 2021

Dear Board and Presidium Members,

It is with pleasure that I invite you to the

125th General Assembly of EUROMIL

Date: 29 April 2022

**Venue: [Military Garrison Club](#) of the Armed Forces of the Slovak Republic
in Trenčín**

*The meeting is hosted by ZVSR and kindly supported by the Ministry of Defence
of the Slovak Republic.*

The General Assembly will be preceded by a welcome reception including a demonstration of a local cultural activity on Thursday evening, 28 April 2022, from 18:00 to 20:00 (local time) at the Military Garrison Club.

The General Assembly will take place on Friday, 29 April 2022 (09:00 – 17:00 local time) at the same location.

ZVSR will inform us by late January 2022 on the cultural events that are planned in Trenčín on Friday evening and eventually make us an offer to participate at one of these events. If so, we will inform you in due time on this additional program.

On Saturday, 30 April 2022 at 09:00 a guided visit (+/- 90 minutes) to the [Trenčín Castle](#) could be organised if we have enough participants. Please inform us via the registration form if you are interested to take part at this visit.

Please register by 15 March 2022 at the latest for the General Assembly on the [registration form](#). In order to give our host association the possibility to check the possibility of arranging transport from Bratislava to Trenčín, it would be appreciated if you could register before end January 2022.

Please do not forget to send your National Report at the latest before 1 April 2022 to euromil@euromil.org. It will be published together with all available meeting documents on the meeting page. All associations will have some minutes to highlight a topic, add remarks or answer questions. There is not enough time on the agenda to read every full report at the meeting.

Lunch will be served on Friday, 29 April 2022 for the registered General Assembly participants.

The number of hotels in Trenčín is limited and we made a pre-booking for rooms in the nicest hotel of Trenčín – just ten minutes' walk from the Military Garrison Club. The historic Hotel Elizabeth is exceptional in its attractive location directly under the [medieval castle, in the centre of the city of Trenčín](#). We have blocked 45 rooms for the nights of 28 and 29th April and then some extra rooms for the nights prior and after.

As explained in Athens, the nearest airport, Airport Zilina, is 35 Km from Trenčin which is a regional and business airport. The best option is to search for your possible flights via Bratislava, Vienna or even Budapest. From these locations you can either plan a trip by public transport or by rental car (with or without driver). Useful information can be found [here](#).

From experience we can inform you that personal transport with a driver is an interesting alternative, especially when you agree with other participants to increase the group of travelers and rent a minibus. Very interesting offers can be found [here](#). However, a search on the internet can give you other interesting offers!

All recommendations in this invitation are for informational purposes only. You may be able to find other and perhaps more interesting offers online. However, making the necessary mutual agreements and sharing costs in good time is perhaps highly recommended, especially for this meeting. We strongly urge you to make your reservations and planning for this meeting in time in order to obtain favorable and as simple as possible conditions.

As already mentioned, our host association ZVSR is willing to check if group transport is possible from Bratislava to Trenčín. **Therefore it is necessary that we are informed before end January 2022** (via the registration form or by separate e-mail in case you already registered) of your arrival date and time. Based on this information, ZVSR can eventually make you an offer. Once again, they can only check this possibility if they have your information early 2022!

To support you in finding the best way to agree with colleagues and organise your transport, you can always ask us by mail for a list of arrival and departure dates and time from the member associations that already registered and filled in this information.

Thanks in advance and see you online soon.

Best regards,

Emmanuel Jacob, President
