**SUBJECT:** Greek Soldiers Released

Mister President,

After 167 days, the detention of our two colleagues by the Turkish authorities in a high security prison finally ended. The Greek soldiers were freed and returned to Greece after their unexpected release by a provincial court on August 14 2018.

The contact regarding the case concerned, between your organization and our federation, the last five months was essential and raised the issue at European level.

Hence we are grateful for your assistance and actions and we rely on our cooperation in the future in order to promote and protect the fundamental rights of our colleagues under the umbrella of EUROMIL.

For P.FE.AR.FU Board

President

Dimitrios Rotas

Secretary General  
Capt
