Since 2009, I have been a member of the Syndicat Professionnel de la Force Publique (SPFP), which brings together the Police and the Luxembourg Army. This trade union represent around 3,000 members. I am currently serving as the president of this trade union.

The Confédération Générale de la Fonction Publique (CGFP). The **CGFP** (General Confederation of Civil Servants) is one of Luxembourg's largest trade unions, representing primarily public sector employees. It advocates for fair working conditions, strong social dialogue, and the protection of civil servants' rights.

Since 2012, I have been a full member of the CGFP's Federal Committee.

Since 2023, I have been a member of the Executive Bureau of the CGFP.

In the year 2025, I have the honour of celebrating a decade of service as President of SPAL.

I have been part of the Luxembourg Army for 28 years and have served as a non-commissioned officer in the Luxembourg Armed Forces for 25 years. During this time, I had the privilege of successfully completing five foreign missions in service of my country.

Motivation :

My union involvement is motivated by the ambition to defend the interests of the various careers we represent and far beyond. Constructive criticism is one of my strong points, and my aim is always to get things moving by bringing in new points of view and new ideas. Passion, commitment and discipline are the strengths that characterise me both professionally and privately. One of the reasons why I would like to become a Boardmember of EUROMIL is to defend the interests of all EUROMIL members at European level.

My objectives:

To promote EUROMIL's missions so that we can act even more professionally towards our members and the Government.

To help put in place better protection for military personnel who are involved as trade unionists and staff representatives.

To help prevent any deterioration in the social rights of military personnel in terms of pay, bonuses, career prospects and pensions.

After this brief overview, I sincerely hope for your support of my candidacy as a Boardmember of EUROMIL.

If you have any further questions or suggestions, please do not hesitate to contact me.
